

Cookie Policy

1. INFORMATION ABOUT OUR USE OF COOKIES

- 1.1 Our Website uses cookies to distinguish you from other users of the Website. This helps us to provide you with a good experience when you browse the Website and also allows us to improve the Website. By continuing to browse the Website and/or use our Services, you are agreeing to our use of cookies.
- 1.2 A cookie is a small file of letters and numbers that we store on your browser or (if you agree) the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive.
- 1.3 We use the following cookies:
- (a) **Strictly necessary cookies.** These are cookies that are required for the operation of the Website. They include, for example, cookies that enable you to log into secure areas of the Website, use a shopping cart or make use of e-billing services. If you block these cookies, the Website will not operate properly.
 - (b) **Analytical/performance cookies.** These cookies allow us to recognise and count the number of visitors and to see how visitors navigate around the Website when they are using it. This helps us to improve the way the Website works, for example, by ensuring that users are finding what they are looking for easily.
 - (c) **Functionality cookies.** These cookies are used to recognise you when you return to the Website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
 - (d) **Targeting cookies.** These cookies record your visit to the Website, the pages you have visited and the links you have followed. We will use this information to make the Website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.
- 1.4 Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.
- 1.5 You may block cookies by activating the setting on your browser that allows you to refuse the operation of all or some cookies. However, if you use your browser settings to block all cookies (including without limitations strictly necessary cookies) you may not be able to access or use all or parts of the Website and its functionality.
